

A photograph of a modern, two-story house with a light-colored stucco exterior and dark brown trim. The house features a covered patio area with dark columns. In the foreground, there is a lush, green synthetic lawn that curves around a concrete walkway. Large, tropical-looking plants are visible near the house. The sky is clear and blue.

**PRO GREEN®**  
SYNTHETIC TURF SYSTEMS

# Natural Prime

Ideal for medium-traffic applications, featuring a pristine appearance that can withstand the use of a typical yard. The S-shaped blades provide the ultimate softness and resiliency. Our ProFlow backing ensures superior drainage and maximum durability.
